APPLICATION FOR REFUND

Instructions

Who is required to submit RPD-41071

Use this form to apply for a refund of most tax, fees, or surcharges paid to the New Mexico Taxation and Revenue Department. Unless your claim is an exception (described next), you are required to complete this form and provide all required supporting documentation. See table T1, *Program Type* on page 4 for the tax program types that are required to use the RPD-41071, *Application For Refund* in order to request a refund.

Should you need assistance completing this application, please contact the Department:

Phone: 1-866-809-2335

Exceptions for Filing This Form

If your refund claim is the result of overstating the tax due on a previously filed income tax or an oil and gas tax return (oil and gas does not include motor fuel tax/fee) **and** you are filing an amended return, you do not need to complete and attach this application for a tax refund. A complete amended return is sufficient to support a valid claim for tax refund.

Exceptions to Filing RPD-41071

The following tax, fee, or surcharge programs require you to file a special form instead of this RPD-41071, *Application for Refund*, to claim a refund for their program:

- Oil and gas taxes other than the oil and gas proceeds withholding tax, use RPD-41136, *Application for Tax Refund - Oil and Gas*.
- Withholding tax on the net income of a pass-through entity (PTE) reported on PTE New Mexico Information Return for Pass-Through Entities, use RPD-41373, *Application for Refund of Tax Withheld From Pass-Through Entities*.
- Overpayment of tax withheld on RPD-41367, *Pass-Through Entity Withholding Detail (PTW-D) Report*, use RPD-41373, *Application for Refund of Tax Withheld From Pass-Through Entities*.
- Vehicle-related or driver-related taxes or fees, use MVD-10208, *Request for Refund*.
- Tobacco Products Tax, use RPD-41318, *Application for Tobacco Products Tax Refund*.
- Spoiled or damaged cigarette stamp, use RPD-41211, *Application for Refund of Cigarette Tax*.

Information Required to Claim a Refund

According to Section 7-1-26 NMSA 1978, the following information is required to claim a refund:

- Taxpayer's name, address, and identification number
- Type of tax for which the refund is claimed, the credit or rebate denied, or the property levied upon
- Sum of money or other property claimed
- Period(s) for which the overpayment was made
- Brief statement of the facts and law on which the claim is based, referred to as the basis for refund, and documentation to support and substantiate the taxpayer's basis for the refund
- If applicable, a copy of an amended return for each tax period for which the refund is claimed.

NOTE: To claim a refund of an overpayment due to an offset or

a return adjustment by the Department, please attach a copy of the Offset Notice or Return Adjustment Notice.

When to Attach an Amended Return

If your refund is the result of overstating the tax, fees, or surcharges due on a previously filed return, you are required to attach a complete amended return for each affected period which should include all supporting forms, schedules, and backup as requested by the instructions.

NOTE: Only one *Application for Refund* is required per refund claim regardless of the number of amended filing periods.

IMPORTANT: If you are mandated to electronically file, this requirement extends to electronic filing of amended returns.

Interest on Overpayment

The Department requires a complete and approved refund claim before calculating interest on an overpayment. The Department does not pay interest on refunds for the following tax credits: Investment, Laboratory partnership with small business, Technology jobs and research and development, Film production, Affordable housing, Rural job, or High-wage jobs.

Requirements for Requesting Tax Refunds

The documents to attach when you request a tax refund depend on the reason for your refund claim. To claim a refund of gross receipts tax paid because you did not claim:

- An allowable deduction, attach a copy of either of the following, if applicable:
 - ◆ The nontaxable transaction certificate (NTTC) the buyer executed so the Department can verify the buyer executed it properly and timely
 - ◆ Any other documentation necessary to support the deduction (for example, a farmer or rancher statement)
- An exemption, attach documentation necessary to support the exemption (for example, invoices or contracts)

See FYI-105, *Gross Receipts & Compensating Taxes - An Overview* for more information on deductions, exemptions, and credits along with required documentation to support a refund claim:

2. Your account number has up to 17 characters. Include hyphens, but omit spaces and special symbols as you enter the number from left to right. Leave unused boxes blank. On the sample check, the account number is **2015551517**. Do not include the check number.

3. Mark an **X** in the **Checking** or **Savings** box to indicate the type of account.

4. Mark an **X** in the **YES** or **NO** box to answer whether the funds for your refund would go to or through an account located outside the U.S. Marking **NO** means the financial institution's location is within the territorial jurisdiction of the U.S., which includes any of the following:

If you do not answer the question, the Department mails your refund to you in a paper check. If you answer the question

incorrectly, the National Automated Clearing House Association (NACHA) or the Office of Foreign Assets Control (OFAC) may delay, reject, or freeze your refund. If your bank does not accept your *Request For Direct Deposit* entries, the Department mails a check to you.

Your Rights and Refund Claims

This sections gives you information about your rights regarding tax liabilities and offsets and about denials of claims.

Tax Liabilities

If you have any tax liability, the Taxation and Revenue Department may offset all or part of an allowed refund against such liability.

Refund Claim Denials

If the Department denies your claim for refund in whole or in part, you may file a protest with the Department within 90 days of either mailing or delivery of the denial, or you may file a lawsuit in Santa Fe District Court.

If the Department does not take action on your completed claim within 180 days of receiving your claim, you may elect to treat the refund claim as denied, which allows you to pursue the remedies stated in the preceding paragraph.

If the Department requests additional relevant documentation from you, the claim is not complete. If you submit the requested documentation within the required time period, the Department uses the date the Department received the complete documentation as the start of the 180 days. If you do not provide the additional relevant documentation, the claim for refund remains incomplete.

For more information about remedies, please see FYI-402, *Taxpayer Remedies*. You can find FYI-402 at <https://www.tax.newmexico.gov/forms-publications/>.
